Plan of Study for Minor in Cannabis Cultivation

Name of Student: _____ Major: _____

Student ID: _____ Month & Year of Anticipated Graduation: _____

Cell Phone Number: _____ Email Address: _____@uconn.edu

CATALOG STATEMENT: The minor in Cannabis Cultivation provides training pertaining to the propagation, cultivation, commercial production, maintenance, processing, and potential markets for and uses of Cannabis sativa.

REQUIREMENTS: All students are required to complete a minimum of 15 credits as outlined below.

Students must complete the following Core Courses:

		Credits	Semester/Year	Grade
SPSS 2130	Introduction to the Horticulture of Cannabis	3	_____	_____
SPSS 3680	Advanced Cannabis Horticulture: Cannabis Production	3	_____	_____
SPSS 3990 or SPSS 3999	Field Study Internship* or Independent Study**	3	_____	_____

*The field study internship topic and company/grower with whom the student will intern needs to be approved by an advisor for this minor. This course is intended to provide students with experiential learning opportunities and exposure to jobs in the cannabis industry. An advisor for the minor can assist students with setting up the internship.

**Independent Study with available faculty member conducting cannabis research

Students must complete six credits of the following courses: 3 credits from Plant/Soil Cultivation Group and 3 credits from Pest Management Group

Plant/Soil Cultivation (select one)

SPSS 2120	Environmental Soil Science	3	_____	_____
SPSS 3640	Plant Propagation	3	_____	_____
SPSS 3670	Greenhouse Technology and Operations	3	_____	_____

Pest Management (select one)

SPSS 3810	Fundamentals of Plant Pathology	3	_____	_____
SPSS 3830	Horticultural Entomology	3	_____	_____
SPSS 3840	Integrated Pest Management	3	_____	_____

- At least 12 credits taken for this minor must not duplicate courses used to satisfy the 36-credit requirement for the student's major, or for another minor in the College of Agriculture, Health and Natural Resources.
- Students must earn a combined grade point average of 2.5 or higher for all courses listed above.

MINOR ADVISOR: For more information on the minor, approval signature to declare the minor, or approval signature on the final Plan of Study for the minor, please contact Dr. Gerald Berkowitz at Gerald.Berkowitz@uconn.edu or 860-486-1945.

DECLARATION PROCEDURES: It is strongly encouraged that students meet with the minor advisor before declaring the minor. Students may declare the minor by either 1) submitting this form to CAHNR Academic Programs (Young 206), or 2) online at ppc.uconn.edu. The semester before graduation, students may submit their minor final plan of study online or by submitting this form to the Registrar.

FINAL PLAN PROCEDURES: Students who plan to graduate with a minor in Cannabis Cultivation must complete the requirements as outlined above and submit a copy of this form to the Registrar along with their final Plan of Study for their major or submit a final plan of study through [Student Admin](#).

APPROVAL: Please check the appropriate box/es below:

- Declaration: Student has discussed minor requirements with minor advisor.
- Final Plan: Student has met with advisor and confirmed that all requirements for this minor have been completed, or will be completed, in order to be eligible for a minor in Cannabis Cultivation upon graduation.
